Let us plan your next journey

11

A trusted partner for accountable travel management.

MMS coordinates travel through one responsible team for individuals, companies, government entities and official delegations.

01

Corporate & Executive Travel

Coordinated business travel and executive movement.

03

MICE

Travel for meetings, incentives, conferences and events.

02

Government & Official Delegations

Structured official travel and delegation movement.

04

Groups & Tailored Journeys

Group movement and individually designed journeys.

Ten services. One operational channel.

The essential components of a journey are managed through one coordinated process, so a traveller deals with a single team from the first request to the return.

01

Corporate & Government

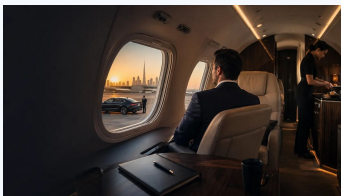

Policy-led, accountable travel management

02

MICE

Delegate and MICE movement

03

Executive & VIP

Discreet, time-sensitive travel coordination

04

Sports Travel

Team, tournament and supporter movement

05

Educational Trips

Safe, purposeful learning journeys

OUR SERVICES · CONTINUED

06

Visa Assistance

Clear document and application guidance

07

Holidays & Leisure

High-end holidays and leisure journeys

08

Airport Transfers

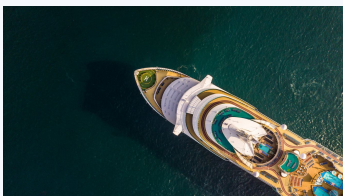

Reliable arrival and departure coordination

09

Train Bookings

Rail tickets and connections within one journey

10

Cruise Holidays

Cruise routes, cabins and port transfers

Not a booking desk. An operating layer for your travel.

Every service above is coordinated by the same team, on the same file, with one point of contact from the first request to the return.

Designed around the objective, the policy and the traveller.

One responsible team coordinates the journey, supports necessary changes and maintains clear management records.

01

Objective, Policy & Traveller

Arrangements reflect the purpose of travel, organisational policy and traveller needs.

03

When Plans Change

Responsive support for necessary changes to confirmed plans.

02

One Responsible Team

A single accountable team coordinates the journey.

04

Management Records

Clear records support oversight and review.

Meetings. Incentives. Conferences. Events.

A connected process for delegate travel, accommodation, transport and programme movement.

01

Meetings

Travel, accommodation and transfers aligned with the meeting schedule.

02

Incentives

Coordinated travel and programme movement for participants.

03

Conferences

Delegate arrivals, departures, accommodation and venue movement.

04

Events

Travel and ground movement coordinated around event requirements.

Journeys designed around the people, the purpose and the experience.

Group and tailored programmes connect the essential services with destination support.

01

Groups

Coordinated group bookings and movement.

02

Tailored Journeys

Programmes shaped around specific traveller requirements.

03

Destination Support

Coordination of local services and ground movement.

A clear process from brief to active-trip support.

Four connected stages bring planning, coordination and support into one accountable workflow.

Responsive support, reinforced by client experience.

Published Google reviews highlight responsiveness, reliable follow-through and clear coordination.

WHAT CLIENTS REPORT

Responsive Support

Practical help when travel requirements change.

Client Experience

Clear follow-through from planning to active-trip support.

Google Review Themes

Responsiveness · Reliability · Clear coordination
